a difference  
in the lives  
of kids**

**Tickets are now available  
from Richfield Optimist members  
or online!**

Through this event we seek to raise funds to get kids to the outdoors. A condition exists in many of today's youth that has been labeled "*Nature Deficit Disorder*". It describes the cost of an alienation from Nature - realized as diminished use of senses, attention difficulties, higher rates of physical & emotional illnesses for children families & communities.

Funds from the 2010 event are to be distributed:

1/3 to Refuge Friends, Inc. Blue Goose Transportation Fund. This fund pays for buses to transport school children to the MN Valley National Wildlife Refuge.

1/3 to the Fraser Family Focused Program. To provide a Preschool Outdoor Nature Lab.

1/3 to the Optimist Club of Richfield Youth Foundation to provide scholarships to MN students who enroll in a nature/environment course of study.
